Escallent Institute of Lasers
& Aesthetic Medicine (EILAM)

Escallent Institute of Lasers & Aesthetic Medicine - EILAM

EILAM is a renowned Dermatology Training Institute in Gurugram, India. We are dedicated to providing educational excellence, offering comprehensive hands-on training programs in the fields of Dermatology, Lasers, and Aesthetic Medicine.

In an endeavour to spread knowledge and to expand our reachability, Eilam has initiated the National Masterclass Series to provide a lucrative opportunity to impart knowledge and upscale your skills.

These masterclass sessions are specifically designed to cater in-depth understanding of the highly versatile and challenging technology. The highlight of this masterclass series would focus on the innovations in the treatments of recalcitrant acquired dermal melanosis and facial rejuvenation.
